Die Krücke

- ## Introduction

  in every place, someone need help, an old man needs to get his medicine from pharmacy but he can't drive.

  a pregnant woman needs help with shopping, a grandma needs someone to cook for her.

  sometimes every one need a crutch in his day.

  in our website, we gather all voluntary services to help each other as sharing is caring.

  "How far that little candle throws his beams! So shines a good deed in a weary world."

  — William Shakespeare, The Merchant of Venice.

- ## Target Audience

  anyone who can't afford private services and any person lives on our world.

- ## Goals

  to live as a real connected community and every person feel he has his own crutch if he falls, also reduce suffering from loneliness and living alone especially with old people.

- ## Structure

  -The Website is responsive, it consists of 6 main pages and 5 sub pages, including extra impressum and datenschutz to be in total 13 pages.

  -The navigation main menu is :Home – About us – Volunteering type – Get involved – - Contact – info.

  Sub menus are :
